

LINFA

565.22b Pendant

Picture on page 99/101/115 of the catalogue

Design: Federico Peri

Description: Inspired and characterized by the natural world, the Linfa family of lamps designed by Federico Peri unfolds on arms so sinuous and elegant as to evoke the veins that run through the leaves, with bright points of light that shine like dew drops. In this family, made up of pendant, floor, table lamps and wall sconces, the refined branches are available in gold, titanium or matt nickel finishes, while the light sources, made of Murano glass, are available in smoky and transparent finishes or milky white.
