

NASTRO

563.13 Pendant

Design: Studiopepe

Description: The famous Nastro family composed of pendant, wall, floor and table lamps, designed by Studiopepe, sees two new important interpretations. These interpretations move in the wake of an aesthetic based on the balance of a cylindrical weight in a band structure made of aluminium and painted with epoxy powder. The system therefore includes a new scenography; a suspension characterized by the positioning of the light sources within closed circular bands, and a new table lamp with a double guise: portable or fixed.

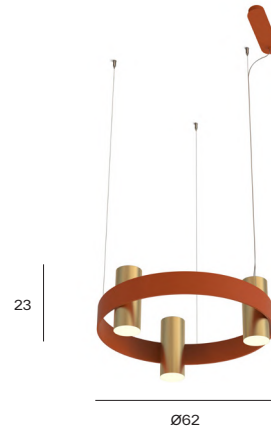

Materials: metal, aluminum, brass

Mounting: Pendant: 125 cm steel cable, electric cable length 150 cm. Canopy: 26x7x3 cm included with bracket. Light source: Integrated LED.

Nt. Wt.: 7 kg

Class: Degree of protection IP40, insulation class 1.

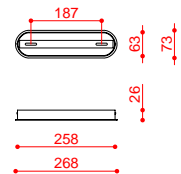

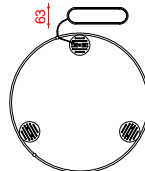

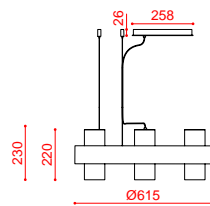

Note: Driver on board.
Decentralized canopy.
DALI version on request.
110/120V version available on request at additional price.

CE \oplus IP40
